If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

## AFTER DOCTORS FAILED

Lydia E. Pinkham's Vegetable Compound Cured Her.

Willimantic, Conn.—"For five years I suffered untold agony from female troubles, causing backache, irregularities, dizziness and nervous prostration. It was impossible for me to walk upstairs without stopping on the way. I tried three different doctors and each told me something different. I received no benefit from any of them, but seemed to suffer more. The last doctor said nothing would restore my health. I began taking Lydia E. Pinkham's Vegetable Compound to see what it would do, and I am restored to my natural health."—Mrs. ETTA DONOVAN, Box 290, Willimantic, Conn.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration.

For thirty years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills, and suffering women owe it to themselves to at least give this medicine a trial. Proof is abundant that it has cured thousands of others, and why should it not cure you?

### HALEY'S COMET

Sighted and Will be Here on Time.

Cambridge, Mass., Sept 14.—Halley's comet, traditional since 250 years before the Christ era as the forerunner of evil times for the lower classes, has been sighted again after seventy-four years, absence from the immediate ken of astronomers.

A dispatch received Sunday at Harvard university observatory from Prof. Wolff of Heidelberg, bearing the news that he discovered the comet Saturday—5,642 in right ascension, six hours, eighteen minutes, twelve seconds; declination seventeen degrees, eleven minutes north.

From Prof Wolff's reported discovery American astronomers are inclined to believe that all the large observatories of the world presently will be able to locate the comet with their telescopes. Prof Wolff says only the largest telescopes at his command revealed the comet.

Astronomical authorities agree that even if the observatory telescopes reveal the comet distinctly, it will not be visible to the naked eye until next April or May.

Halley's comet was last seen in 1835. It was, perhaps, first seen by any astronomer competent to record it, 2,500 years ago, or 250 years before the Christian era. That is the farthest date to which the patient labors of the astronomers have carried it back, and it was then seen and noted by the Chinese astronomers, who saw it again in the August of B. C. 87.

### In Memory of Little Korean Miles.

The child of Mr. and Mrs. Richard Miles, departed this life, Sept. 1st, 1909. Age five years and four days. She has left this dark and gloomy world to a home where darkness is no more.

The child has left its mother's arms, A mother's tender care and love.

To be an Angel with God,  
In Heaven up above.

Too pure was she for earth so vile.  
Where man doth make his brother  
mourn.

Where deeds are done with deceitful  
smiles,  
And evil seeds are ever sown.

Too sweet was she for the flowery  
fields,  
Where thistle and thorn trees grow,  
Where satan hides in haunted dens,  
To spring upon his foe.

But far beyond in distant days,  
There unseen by human eyes,  
Sweet Korean dwell in the home  
of God.

Beyond our summer skies.

Far beyond the portals,  
Of the sun the king,  
That gives us day o'er loved ones,  
Lives in sunless beauty,  
Where the light of day fades not  
away.

And should we wish to meet little  
Corean,

In her home beyond the skies,  
Ever may our lives be perfect,  
Until we say to earth goodbye.

We miss thee from our home  
Corean,

We miss thee from thy place,  
A shadow o'er our lives are cast.

We miss the sunshine of thy face,  
We miss thy kind and willing hand;

Thy food and earnest care,  
Our home is sad without little  
Corean,

We miss thee every where.

## FARMER MARKS COULDN'T HURRY

At Least Not Fast Enough to Intercept His Runaway Daughter—Lost Wheel in Pursuit—Webster Stirred as Never Before

### OVER ESCAPE OF YOUNG COUPLE WANTING TO MARRY.

Evansville, Ind., Sept. 15.—An excited farmer in pajamas, a broken buggy wheel and a blind horse, were defeated by Dan Cupid in the most exciting chase known throughout Webster county, Kentucky.

As the result Herbert Curry, 21 years old, and Miss Effie Marks, 19 years old, are chafing over the defeat and willing to advise any young couples who wish to get married to do so without listening to advice from the father of the girl.

Dressed in a lavender princess gown, Miss Marks led her future husband, Roy Curry, to the marriage license counter Wednesday morning. Tuesday evening the young lady informed that she was going to a party at a girl's house.

This her father did not object to, as he recalled to his mind the good times he had when a boy.

True enough, there was a party. And her father had heard there was. He told his daughter she might go, but to be home early. The dance went on fine. Not even a soul at the party, with the exception of the witnesses, knew the intentions of the pair.

Old Man Anxious.

Eleven o'clock came. Father Marks grew anxious. When he was a boy he had never stayed at a country dance after half past ten.

He thought the matter over. His daughter was in company with the same young man who had been an

ardent admirer for years. The farmer had often been pleaded with by his daughter to be allowed to tell Curry she could be his own.

Slipping a pair of overalls over the pajamas, Father Marks hitched up the first horse he could lay his hands on. A shabby buggy was the only one outside the shed.

In the meantime the couple and the two witnesses had left the dance.

Father Marks stopped at the party. He learned that the quartette had been missing for at least half an hour.

### Wheel Came Off

Never before had the old horse been driven as he was Tuesday night. After fifteen minutes of driving, Father Marks heard what he believed to be his daughters voice.

As he called to her he noticed the quartette start into a run. The evidence was sufficient. His daughter was running away to be married and it was up to him to keep her from it.

Next there was a crash and Father Marks hit the ground. The elopers also heard the crash and saw the left hind wheel running on the highway.

An outburst of laughter followed.

The quartette then quickened their pace to Clay, Ky., where they caught a train to this city.

Father Marks was disgusted. To think that his daughter had outwitted him was unbearable. He then turned around towards home, leading the horse and leaving the demolished buggy in the road.

"We will now go home and try to square things up with father," said the young man, after the ceremony.

"I just can't think that we did wrong," laughed the bride.

"I think papa just wanted to keep us from marrying for stubbornness and when he finds we have outwitted him, why it'll be all right. At any rate, let us hope so," said the bride on second thought.
